

PICKERINGTON FARMERS' MARKET SPONSORSHIP PROGRAM

About the Market

The Pickerington Farmers' Market, sponsored by the Olde Pickerington Village Business Association (OPVBA), is a dynamic community event open every Thursday, 4-7pm, June through September. The Market showcases fresh, local Ohio grown produce & meats, cottage foods, artisan crafts and much more. In 2015, the Market averaged 800 customers per week with more than 13,000 attending throughout the season. The market is becoming one of the largest weekly gatherings in the community.

As market popularity increases, we seek additional community support to enable us to expand programming, entertainment and special market promotions. Please consider becoming a sponsor of the Pickerington Farmers' Market.
